Dear [Redacted]

Thank you for your letter of 3 March concerning your interest in employment with us. By now you have probably received Mr. Echols' letter of 2 March advising you of the current situation regarding possible openings.

Under the circumstances, I would not advise you to go to the expense of time and money involved in a trip to Washington. I would be glad to talk to you at any time other business might bring you here. Of course, an interview would be promptly arranged if an opportunity for your employment with us should arise.

Sincerely,

SIGNED

John S. Warner
Legislative Counsel
